## About Union Christian College

Beneath the cloud-capped hills, amidst luxuriant woodlands and surrounded by the shimmering waters of the Umiam Lake, lays an idyllic conclave of houses and buildings that make up one of the unique Higher Educational Institutions (HEIs) in the North Eastern Region - the **Union Christian College**, popularly known by its acronym, UCC. Jutting out into the Umiam Lake like a mini-peninsula, the sprawling campus of the UCC sported tree-lined avenues, hedges of forget-me-nots, patches of greenery and quiet roofs beneath huge stately trees whose leaves flutter incessantly in the caresses of the gentle breeze. It was as quiet and tranquil as one wishes it to be an ideal setting for young minds to gather precious gems of knowledge.

However, the place was once a wild land, stuck in timelessness, until a seed for its destiny was sown by the high ideals of its founding fathers. It was after a long awaited effort the beginning of the College saw the light of day on Friday, the **14<sup>th</sup> August, 1952**, the day which the College celebrates as its foundation day every year. Today, Union Christian College is a "minuscule North East" embracing a diverse and complex multi-cultural ethos where ideals, perceptions and aspirations vary. Sixty-eight years hence, the College is steadily progressing and growing from day to day. From a little acorn, it is now a towering oak, making steadfast progress on all fronts living up to its motto '**Come to the living water**' quenching the thirst of all those who had come to seek wisdom and knowledge within its hallowed grounds.

The College is located in Rural-Tribal backward area, under Umsning C.&R.D. Block of Ri-Bhoi District of Meghalaya, with a geographical area of 170.2 acres and an approximate built-up area of 60.2 acres.

**It is the only under-graduate Residential Institution under 2(F) 12(B) UGC Act 1956, in the District**  
offering three Under-Graduate programmes in Arts, Science and Commerce.
