Resolution 1/7-2023- Agenda 1: Routine: The IQAC Coordinator presented the Time Table that was prepared as per the requirements warranted by the adoption of NEP 2020. The following resolutions were made after a threadbare discussion was done on the subject.

- a) The Multi-disciplinary courses break-up as opted by the College was presented and six (6) different classrooms for the conduct of these courses were allocated. (Annexure attached)
- b) The Major core and Minor core course break-up was also presented and seven (7) classrooms were allotted for the conduct of classes. (Annexure enclosed)
- c) Similar presentation was made on the classroom allocation for the Ability Enhancement Courses, Skill Enhancement Courses and the Value Added Course.
- d) It was clarified that following the adoption of NEP 2020 to adjust to the new situation, classroom re-allocation was necessitated based on the student number of each courses and the capacity that each classroom can accommodate students. Hence a lot of reshuffling has occurred from the old routine. Teachers are therefore requested to adjust themselves accordingly to the new arrangement.
- e) As far as subjects with practical are concerned it was decided that after a clear picture of the course break-up of such subjects is available the concerned departments will sit together to create a draft time table for that purpose.
- f) The new proposed time table (Annexure enclosed) will be implemented on an experimental basis for one week after which feedbacks and inputs will be taken before the same can be made final.

As there was no other matter to discuss the meeting was adjourned by the Chairman after the closing prayer by Dr. S. Pio
