Notification

The undersigned is pleased to inform that as per NEHU Regulations, students must attend minimum 75% of classes to be eligible to appear for Final Examination. However, it has been found that many students are not attending classes regularly.

In this regard, the following students (see page 2 onwards) are found to be short of the minimum class attendance classes and may not be allowed to appear for the Final Semester Examination scheduled in November to December 2022. Examination forms will not be issued to them.

They are therefore directed to meet the Vice Principal or Dean of Student Welfare, within 18th October 2022 with an application as to why they may not be debarred from appearing in the Final Examination.

Kindly treat this as MOST IMPORTANT.
