

Union Christian College

National Seminar

"Recent Advances in Chemistry: Post Covid '19"
*Organised by the Department of Chemistry in
Collaboration with IQAC, Union Christian College,
Umiam Khwan, Ri-Bhoi District, Meghalaya.*

Venue: RUSA Conference Room,

Date: February 22, 2023

Resource Person

- **Dr. Rishanlang Nongkhlaw,**
Professor, Dept of Chemistry,
NEHU.
- **Dr. Geetmani Singh Nongthombam,**
Post Doctoral Fellow, IIT Guwahati

ORGANIZING SECRETARY

DR. J. W. S. RANI

Advisory Committee

Patron: Dr. R. M. Manih

IQAC Coordinator:

Dr. M. Mitri

Joint Coordinator IQAC:

- Mr. R. Wahlang, Asst. Professor
- Dr. D. Nongsiang, Asst. Professor

Convener:

Dr. A. Malhotra,
Head of Dept of Chemistry

Organising Secretary:

Dr. J.W.S.Rani
Asst. Professor

Organising Members:

- Mrs. H. Shangpliang,
Asso. Professor
- Dr. (Mrs) C. M. Lyngdoh,
Asso. Professor

Registration

On spot registration will be done for all interested participants.

About the Chemistry Department

The Department of Chemistry, Union Christian College offers the 3year U.G Program in Bsc Chemistry in the honours including as an elective paper for all students of Bsc. The Department imparts quality teaching & learning to all the students. The faculties of the Department have completed many UGC minor research projects in the department. The Chemistry Department has also produced many rank holders in the University examination. The Alumini of the Department are well placed as acamedicians, teachers research scholars, in different institutions/establishments all over the country and abroad.

Purpose of the Seminar:

This National Seminar aims to bring out the latest development in the field of Chemistry (Post pandemic Covid '19). The Papers to be presented during the seminar will be an "eye opener" to all the U.G. Students of the Department about the present research activities in the field of chemistry all over the world.
