With the increase in strength, as per requirement, the institution approaches the University Grants Commission (UGC) for approval of additional funds. Additional funds at times are also obtained from other sources such as RUSA Fund Ministry of Human Resource and Development, the Govt. of Meghalaya and other govt. agencies. The College has instituted its internal Building Committee and Finance Committee for smooth and systematic creation and enhancement of infrastructure in the institution. The Building Committee consists of the Principal of the College, representative from the Governing Body and the Architect/Engineer Consultant (s).</p> <p data-bbox="730 1023 1859 1137">To optimize utilization of the existing resources, some of the resources are shared across departments. For example, the college has an upgraded computer lab which is shared between departments for optimal utilization.</p> <p data-bbox="539 1193 1859 1350">Extensive planning for physical infrastructure is made by the Building Committee and administration department in phased manner. Strategic plan of the university takes into consideration the new academic programmes to be started in a specific time period and infrastructure requirements. Elaborate presentation is then made to the Governing body for approval and construction is then carried out as per the college policy.</p> <ul data-bbox="589 1366 1859 1525" style="list-style-type: none"> <li data-bbox="589 1366 1859 1437">• <b>Classrooms:</b> The College has spacious classrooms for all the three streams-Arts, Science and Commerce.</li> <li data-bbox="589 1453 1859 1525">• <b>ICT enabled Classrooms:</b> The Science departments have smart classrooms to facilitate efficient teaching and learning with fully equipped sophisticated technological gadgets.</li> </ul>
